

esplora *Napoli*

Between history, culture, art and passions

*"From what one says, or narrates, or paints,
Naples exceeds everything."*

J. W. Goethe

About us

TEAM

“Esplora Napoli” is an inbound individual company, which provides special interest tours in Naples. The project was born in 2018 after a 25 years experience in tourism.

Located in Naples, where a large support team contributes to its work: CTC, certified guides, sustainable tourism experts, art historians, Neapolitan music history experts, chefs (from UCMed, The Mediterranean Institute of culinary arts), artists, architects and craftsmen.

Our creative and multilingual team has a deep knowledge of the destination and the products and can satisfy the most demanding customers.

SKILLED IN:

Off the beaten paths, experiential paths in Naples linked to art, architecture, history, food, music and Neapolitan traditions.

OUR VISION:

We offer you our knowledge, our ideas and our passion to provide your clients an authentic & tailor-made experience.

FOCUS ON

Naples is amazing and contradictory at the same time. The best way to get in touch with the city is to discover its soul through the knowledge of history, culture and traditions of this extraordinary people.

We unveil the hidden truths, unknown to the whole world.

Our goal is to take guests by the hand, to discover it little by little, by studying short or long itineraries developed on a few hours or several days depending on personal needs.

FOCUS ON

• Narrate Naples

CITY OF SUN, CITY OF SHADOWS

Naples once a cradle of European culture.

A whole day of responsible & sustainable tourism with our special and exclusive guide "The Wanderer". Going around the city, in some of the most historic sites, he'll disclose the hidden truths about the city, through tales concerning history, people & traditions, what the entire world doesn't know about Naples.
